On a side note, I know that the [REDACTED] case (ADA Neil Desroches) was 1 of the 4 that pled out today, but I was wondering if you would know if any of the following cases also pled out today (I analyzed the drugs in all of them):

Commonwealth v. [REDACTED]
Commonwealth v. [REDACTED]
Commonwealth v. [REDACTED]

If you don't know about the other 3 cases, don't worry about it - I can always email the respective ADA's to find out more about their cases. Thanks.

You really are a rock star! We are scheduled to impanel a jury tomorrow morning, so I will email/call you when we take the morning break. I probably won't need to call you until the afternoon. Thanks Sonja!!!

Hi Sonja...would you be available tomorrow for [REDACTED]? I know this is short notice but I received a call from Judge Kinder's clerk and apparently the Texidor case catapulted to the top of the lost after 4 cases plead out in rapid succession. Let me know if that will work out for you. Thanks.
